* Leased properties are private lands on which the Department has leased the hunting rights. You may enter and hunt on these lands. Past abuses by hunters have resulted in many lease cancellations and thus less land on which you may hunt. Landowner complaints include driving on fields, shooting near buildings, cutting fences, unethical hunting behavior, etc. Only with YOUR cooperation will landowners continue leasing to the Department - RESPECT LANDOWNER RIGHTS.

Designated use areas operated and maintained in accordance with S. 23.115, WIS STATS.

The project boundary shown here was derived by DNR Wildlife staff, based on Jefferson County land records office ownership descriptions. The leased private lands shown here were also derived by DNR Wildlife staff based on land descriptions from the public hunting ground lease agreement program, administered by the DNR.
